

## **Eric A. Monesmith, MD**

Board Certified

Total Joint Replacement Surgery

Dr. Eric Monesmith specializes in the treatment of arthritic knees and hips. A graduate of Indiana University School of Medicine, Dr. Monesmith completed his residency in Orthopaedic Surgery at Loyola University Medical Center. After completing his residency, he pursued advanced training in Total Joint Replacement and Cartilage Transplantation, completing the prestigious Aufranc Fellowship in Constructive Joint Surgery at the New England Baptist Hospital in Boston. He then was awarded the Schwartz Traveling Fellowship and studied Cartilage Transplantation in Gothenberg, Sweden, and Hip Replacement in Exeter, England.

Dr. Monesmith has contributed articles to leading orthopaedic journals and won awards for his research. He is currently involved in multiple areas of research relating to hip and knee replacement, including computer navigation for joint replacement, minimally invasive total joint replacement and clinical studies of existing joint implants.

Dr. Monesmith is the Past-President of the Indiana Orthopaedic Society (2004-2005). He currently serves as a Board of
